One of the local area's most established urbanisations, Villamartin is among the more prestigious municipalities, famous for its first class golf course. Located approximately 4.0 km inland from the eastern coast of the Mediterranean Sea and 12 km southwest of the coastal city of Torrevieja. The Villamartin community is comprised of several individual urbanisations including Villacosta, Montegolf, Las Filipinas, El Presidente, Valencia south and north, Los Dolses and part of El Galan, all built around a central plaza and the golf-course leisure complex. The Villamartin plaza is most certainly worth a mention, a Spanish square with a black and white chessboard pattern surrounded by shops, bars, cafes, banks and restaurants. In the heat of summer the nightlife atmosphere is buzzing with life and noise. The area is popular year-round as a holiday destination for domestic and international tourists, attracted by the close proximity to the Orihuela Costa's fine sandy beaches and the abundance of quality leisure facilities located within the community. The majority of the population consists of mostly English speaking and Northern European expatriates.
